Attendance Policy

PURPOSE

The purpose of this policy is to

- ensure all children of compulsory school age are enrolled in a registered school and attend school every day the school is open for instruction
- ensure students, staff and parents/carers have a shared understanding of the importance of attending school
- explain to school staff and parents the key practices and procedures Example School has in place to
 - support, monitor and maintain student attendance
 - record, monitor and follow up student absences.

SCOPE

This policy applies to all students at Eastern Ranges School.

This policy should be read in conjunction with the Department of Education and Training's [School Attendance Guidelines](#). It does not replace or change the obligations of Eastern Ranges School, parents and School Attendance Officers under legislation or the School Attendance Guidelines.

DEFINITION

DET – Department of Education and Training (Victoria)

Parent – includes a guardian and every person who has parental responsibility for the child, including parental responsibility under the *Family Law Act 1975* (Cth) and any person with whom a child normally or regularly resides.

PCO – Principal Class Officers including the Principal and Assistant Principals.

POLICY

Schooling is compulsory for children and young people aged from 6 to 17 years (unless an exemption from attendance or enrolment has been granted).

Daily attendance is important for all children and young people to succeed in education and to ensure they do not fall behind both socially and developmentally. School participation maximises life opportunities for children and young people by providing them with education and support networks. School helps people to

develop important skills, knowledge and values that set them up for further learning and participation in their community.

Students are expected to attend Eastern Ranges School during normal school hours every day of each term unless:

- there is an approved exemption from school attendance for the student.
- the student has a dual enrolment with another school and has only a partial enrolment in Eastern Ranges School

In accordance with DET guidelines, Eastern Ranges School values student attendance and places a high degree of importance on student participation in school programs. ERS acknowledges that, at times, it is challenging to schedule appointments outside of school hours. Where this is not possible, ERS assures parents/carers that there will be no judgement or consequence.

Both schools and parents have an important role to play in supporting students to attend school every day.

Eastern Ranges School believes all students should attend school all day, every day when the school is open for instruction and is committed to working with its school community to encourage and support full school attendance.

Our school will identify individual students or cohorts who are vulnerable and whose attendance is at risk and/or declining and will work with these students and their parents to improve their attendance through a range of interventions and supports.

Eastern Ranges School parents are committed to ensuring their child/children attend school on time every day when instruction is offered, to communicating openly with the school and providing valid explanations for any absence.

Parents will communicate with the relevant staff at Eastern Ranges School about any issues affecting their child's attendance and work in partnership with the school to address any concerns.

Parents will provide a reasonable explanation for their child's absence from school and endeavour to schedule family holidays, appointments and other activities outside of school hours.

Supporting and promoting attendance

Eastern Ranges School *Student Wellbeing and Engagement Policy* supports student attendance.

Recording attendance

Eastern Ranges School must record student attendance twice per day. This is necessary to:

- meet legislative requirements
- discharge Eastern Ranges School's duty of care for all students

Attendance will be recorded by classroom / administration staff by 10am each morning using the Attendance function on Sentral.

If students are in attendance at a school approved activity, the teacher in charge of the activity will record them as being present.

Recording absences

For absences where there is no exemption in place, a parent must provide an explanation on each occasion to the school.

Parents should notify Eastern Ranges School of absences by

- Recording via Sentral Portal
- contacting the school office via email or speaking with administration staff
- contacting the classroom teacher via phone, email or Sentral
- notifying classroom staff in advance via a note in the student's communication book.

If a student is absent on a particular day and the school has not been previously notified by a parent, or the absence is otherwise unexplained, Eastern Ranges School will notify parents by SMS. Eastern Ranges School will attempt to contact parents as soon as practicable on the same day of the unexplained absence, allowing time for the parent to respond.

Eastern Ranges School will keep a record of the reason given for each absence. The Principal will determine if the explanation provided is a **reasonable excuse** for the purposes of the parent meeting their responsibilities under the *Education Training Reform Act 2006* and the School Attendance Guidelines.

If Eastern Ranges School considers that the parent has provided a **reasonable excuse** for their child's absence the absence will be marked as '**excused absence**'.

If the school determines that no reasonable excuse has been provided, the absence will be marked as '**unexcused absence**'.

The Principal has the discretion to accept a reason given by a parent for a student's absence. The Principal will generally excuse:

- medical, dental and therapeutic appointments where out of hours appointments are not possible or appropriate
- bereavement or attendance at the funeral of a relative or friend of the student, including a student required to attend Sorry Business
- school refusal, if a plan is in place with the parent to address causes and support the student's return to school
- cultural observance if the parent/carer notifies the school in advance
- family holidays where the parent notifies the school in advance

If no explanation is provided by the parent within 10 school days of an unexplained absence, it will be recorded as an 'unexplained absence' and recorded on the student's file.

Parents will be notified by SMS on the day of an unexplained absence.

Managing non-attendance and supporting student engagement

Where absences are of concern due to their nature or frequency, or where a student has been absent for more than three 3 consecutive days, Eastern Ranges School will work collaboratively with parents, the student, and other professionals, where appropriate, to develop strategies to improve attendance, including:

- implementing a Return to School Plan
- implementing a Student Absence Learning Plan for students who will be absent for an extended period
- arranging for assistance from the school's Mental Health Practitioner or members of PCO.

We understand from time to time that some students will need additional supports and assistance, and in collaboration with the student and their family, will endeavour to provide this support when it is required.

If the student's attendance is 50% or below for the term, the Mental Health Practitioner will be notified.

If student's attendance is 30% or below for the term, the Mental Health Practitioner will offer Navigator Services to the family.

Referral to School Attendance Officer

If Eastern Ranges School decides that it has exhausted strategies for addressing a student's unsatisfactory attendance, we may, in accordance with the School Attendance Guidelines refer the non-attendance to a School Attendance Officer in the North Eastern Regional Office for further action.

If, from multiple attempts to contact with a parent, it becomes apparent that a student will not be returning to the school, the Principal may make a referral to a School Attendance Officer if:

- the student has been absent from school on at least five full days in the previous 12 months where:
 - the parent has not provided a reasonable excuse for these absences; and
 - measures to improve the student's attendance have been undertaken and have been unsuccessful
- the student's whereabouts are unknown and:
 - the student has been absent for 10 consecutive school days; or
 - no alternative education destination can be found for the student.

COMMUNICATION

This policy will be communicated to our school community in the following ways:

- Available publicly on our school's website and via login on Sentral
- Included in staff induction processes
- Included in staff handbook/manual
- Discussed at annual staff briefings/meetings
- Hard copy available from school administration upon request
